

Mattheo Gareri

Web Developer

I am a **French computer science student** at the IUT in Annecy. I have always been passionate about computers and video games. During my career and my personal projects, **web development** became my main passion and I decided to make it my job.

Education

2021 - Today

BUT Info (Bachelor in Computing)

IUT Annecy

2018- 2021

French Baccalaureate (High School Diploma)

Paul Héroult High School, St Jean de Maurienne

Hobbies

• Computer Science

Since I got my own computer for my 15th birthday, I fell in love with computer science like coding, video games... That is why I chose to study computer science.

• History

History is something I am passionate about, and I watch documentaries about France, Europe, and the military history.

• Nature

Being from Savoie in the French Alps, I have a passion for camping outside in the forests of mountains.

Languages

- French : Native language
- English : Upper Intermediate
- Italian : Intermediate

Experiences

○ **Apr 2023 - Jul 2023**
